

Project Sheet **Canteen**

Location
Covent Garden

Timing **8 weeks**

Budget **£176,000**

ecsec were delighted to build Canteens latest restaurant, situated in Wellington St, Covent Garden.

Canteen is an informal restaurant serving high quality British cuisine at reasonable prices in a modern, well designed environment. There are currently four other locations in Spitalfields Market, Royal Festival Hall, Baker Street and Canary Wharf.

With the location being part of the Lyceum Theatre, this presented a number of unique issues, not normally associated with a project of this type; not least the separation of the electrical and fire alarm systems whilst ensuring that the theatre was operational for the performances of their current show Lion King the Musical.

The project was completed in 8 weeks and the value was £176,000.

After working with ecsec over the past 3 years we have found them to be a proactive and professional company and look forward to working with them on future projects.
