

Project Sheet **Smiths of Smithfield**

Location
London

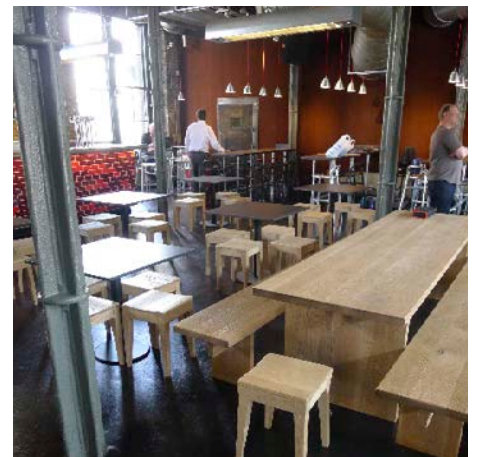

Timing **5 days**

Budget **£100,000**

ecsec won the tender to refurbish the ground floor of the Grade II, 4 floor restaurant situated in the heart of Smithfield, home of London's famous meat market. The works consisted of alterations to the bar, lighting and furniture as well as supplying and installing a unique steel door and frame.

The challenge was how to keep the other floors of the restaurant trading. This was achieved by carefully erecting bespoke hoardings to segregate the area and carrying out disruptive works out of hours.

The project took 5 days at a cost of £100,000.

At ecsec we pride ourselves on delivering projects to the highest quality within budget and on time. To find out more please get in touch.
